FOR IMMEDIATE RELEASE

Influenza Data Dashboard

Akron, Ohio – Summit County Public Health (SCPH) has released an interactive Influenza Dashboard to assist Summit County residents in monitoring flu trends. The Influenza Data Dashboard includes information on flu-related emergency room visits, positive influenza tests, hospitalizations and deaths.

The Influenza Data Dashboard will be updated every two weeks in conjunction with the Influenza Surveillance Report. The dashboard can be found on the Summit County Public Health website at: www.scph.org/dashboards

Questions can be directed to the Epidemiology Help Desk at epi@schd.org.
